Lots of love 

Bryson, Jennifer & the FurryFreshness Team

Thank you for supporting FurryFreshness!

We're FurryFreshness! We founded our family owned business on the simple belief that every pet and pet owner deserves a clean home! We began our journey in 2015 looking to solve a real problem in our lives. With 2 cats and 2 dogs messes are inevitable. And we grew tired of simply "masking" over the problem! So we got to work and formulated FurryFreshness Stain Remover! Which has since received the sought after Seal of Approval from The Carpet and Rug Institute (CRI). After all of the hard formulation work, we're proud to have a formula that removes odors and bacteria rather than simply masking it. We've now had the honor of serving over 300,000 pet parents (and counting!)

The FurryFreshness Promise:

- Safe for use around kids, pets, and plants
- Free from bleach & artificial fragrances
- Always 100% non-toxic
- Always made in the USA
- Always backed by a paw-some 100% money back guarantee
